## **MARTHA STEWART LIVING MAGAZINE FEATURES LOCAL GLITTER MANUFACTURER AGAIN!**

(MARCH 2006)

Martha Stewart endorses Art Glitter again by featuring Vintage Glass Glitter eggs on the April 2006 cover of her national magazine.

The cover is blue and the mood is bright and shining for the April 2006 issue of *Martha Stewart Living*. In the feature story, "A Rainbow of Easter Baskets," Martha shows readers an array of monochromatic Easter Baskets including a stylish blue basket made with Vintage Glass Glitter on painted German egg boxes and hollowed out chicken eggs.

Last December, holiday decorating ideas featuring several festive hues from the Vintage Glass Glitter line were also spotlighted on the cover of *Martha Stewart Living*. Ten glimmering pages showed embellished craft store bluebirds, paper Dresden flowers, snowflakes, paper pinecones, holiday hurricanes, and a berry wreath all shimmering with Vintage Glass Glitter.

Project instructions and list of materials are posted on [www.artglitter.com](http://www.artglitter.com).
