

DECEMBER, 2005 PROJECT- CHRISTMAS GIFT TAGS  
STARS SHAPE GIFT TAG

Glitter:

- Ultra-fine Opaque: #119 Cranberry, #152 Nugget

Materials:

- Brush Marker: Brown
- Card Stock: Shiny Gold
- Designer Dries Clear Adhesive With Ultrafine Metal Tip
- Embossing Fluid Stamp Pad
- Embossing Powder: Gold
- Heat Tool
- Hole Punch
- Scissors
- Stamp: 3 ½" Star

Cut card stock to 4 ¼" x 5 ½". Stamp star image onto card stock using embossing stamp pad. Apply embossing powder with spoon and melt with heat tool.

Draw a ¼" circle within a ½" circle for the tag hole at the top of medallion.

Fill in center of star with glue and apply Nugget glitter. Fill in middle stripe with glue and apply Cranberry glitter. Fill in outer edge of star with glue and sprinkle with Nugget. Fill in circle for tag hole with glue and sprinkle on Cranberry glitter. Dry for several hours.

Closely cut out star, including circle for the tag hole. Punch a hole through center of Cranberry circle.

Darken all edges with brown brush marker and attach to gift.

To accentuate some of the pattern in wrapping paper, outline with glue and sprinkle on Nugget and Cranberry glitter.

Note: Other stamps can be used to make these tags such as wreaths, holly, snowflakes, Santa's, stocking, etc.
